Accessing Visa Online

Get your user name for Visa Online by completing the online enrollment form at www.volenroll.com. Be sure you have your organization's Business Identification (BID) Number. If you don't know your BID, email Visa at esupport@visa.com or call Visa at (888) 847-2488 (8:00 a.m.-7:00 p.m. EST, M-F).

You will receive your user name via email within two business days. You'll need this assigned user name to log in for the first time, but then you'll be prompted to choose your own user name for more convenient access. If you need assistance during the enrollment process, please contact Visa Online Customer Service at (800) 597-8479.
